Some Advise on Marriage

What a great institution it is, and why not? God organized the very first one with Adam and Eve. Lots of people wonder how two people can live together for over seventy years or till death separates them. But it's God's plan- one woman and one man for life! Your contract is for life. You will have your ups and downs. You should be willing to carry each other's burdens. Watch your finances. They will cause more separations and heartaches than anything else. But it can be done, and it sure gets sweeter every year.

I want to give you some advice as to what we should say to our mates that might help our marriages. Just five remarks, and we will start with five words for the first remark, and then four words for the next remark, and then on down to one word.

- * 5 Words: "I am proud of you." Don't wait for your mate to say it first.
* 4 Words: "What do you think?" Anytime there is soothing big going on anything that involves the family, we should talk about it.
* 3 Words: "I love you" This is so important to say. Not only say it, but show it by your actions.
* 2 Words: "I'm sorry" We must say this a lot, and it must be from the heart.
* 1 Word: "We" It's not, "what must I do" but "what must we do"
